Author Richard LaMotte has been at the forefront of sea-glass research since presenting his first lecture on the topic back in 2002. His book, Pure Sea Glass, Discovering Nature's Vanishing Gems, is a master reference on sea glass for North American collectors, earning first place in nonfiction from the Writer's Digest 13th Annual International Self-Published Book Awards.

Purchase one of Richard's books and get it signed!!

Photos are taken during events, please inform staff members, if you do not wish to have any published.
