# CANADA DAY MOUSE HUNT

**The Town of Souris** is a port located 80 km northeast of Charlottetown. The **town** is likely **named**, after the French word for **MOUSE**, for the plagues of mice that appeared in the area around 1750, devouring the Acadians' crops.

Souris was founded by Acadians in 1727 as a fishing settlement at the mouth of the Souris River. These early settlers experienced several plagues of field mice in the surrounding area during the 1720s-1760s which damaged crops. Souris is French for "mouse" and a mouse is the Town's Mascot. It is said that "a French vessel passing by the bay in the early 1700s was forced to cut through the waves of drowned mice and so gave the name to the area. The 1744 map of Sieur de la Roque names the bay, Havre a la Souris". Earlier names also included: Colville Bay, Grand Haven, New Bristol, and Red Cliffs.

**After you pre-registered participant's names, phone number & email address at 902-687-2157 by June 18, 2021**

**You would have been given a start time.**

**Please make sure you start hunting at that time.**
