## Development & CAO update:

### **Ongoing development and update from CAO: (for information purposes)**

- We are continuing to work with Justin & Melody in regard to new Seniors Housing Development.” Heartwood Development” Tender was awarded to Chapman Bros for Road/Water/Sewer/Utility Infrastructure. Work to begin this summer with completion summer 2022. Schedule to be confirmed.
- Polmerleau began construction at our new Sewerage Treatment Plant at 142 Breakwater St. beginning the week of March 8, 2021. Progressing quite well. We have already submitted and received 3 funding claims from ICIP in the amount of \$485,900. However, going forward we will need to secure some bridge financing to pay larger amounts. CAO has requested and received proposed financing options from local financial institutions. These options will be brought back to Council for review and approval.
- CBCL have been engaged to design and prepare tender documents for Walking Path on MacPhee Avenue. Greg Jay and CAO met on site with surveyors May 7, 2021. We have a preliminary plan drawn up we are just waiting on confirmation from land owners before putting work out to tender.
- New Pharmacy development is coming along. Demo has taken place of both Robin’s Donuts and house at 3 Belle Ave. They also had to remove an old foundation that was buried on the property. They have supplied revised drawings showing 10’ set back between them and 5 Belle Ave and fence between residential properties.
- We are in the process of hiring some summer staff. Lennie Rose started at the Beach and he is getting along really well. Emily & Trever have started as well. Keir will be returning. A few other yet to be hired. It will be a very busy summer!
- Summer flowers are being planted with hopes of making the Town bright and cheery. Nabuurs will be looking after our flower beds again this summer.
- Canada Day will be held in similar fashion as last year. Smaller groups of 50. No Fireworks allowed.
