Purchase Agreement has been prepared and signed. Financing options provided by various lending institutions. A borrowing resolution will be required.

S. Provincial Funding Update – for information only, no action required.

We received notice that our Provincial Funding will increase slightly. This is due to an increase in the service tax credit rates. It will increase from 0.324 to 0.351 this year and 0.362 for the next fiscal year. The major increase is in the Planning Tax Credit, it doubled from 0.012 to 0.024 and our base credit increased from 0.044 to 0.059. This is to help municipalities that have land use plans and issue development permits. No change to Hospital, Police or Streets. This should work out to be about \$28,000 in extra revenue for this fiscal year. An agreement detailing everything is to be available in the coming weeks. All PEI municipalities/towns are funded with this same formula based on their current non-commercial assessment values.

Development – For Council information: (approved by development officer as per section 1.6 of our Land Use Bylaw)

- Donnie Aitken, LaVie Ave., requested an increase in the size of the addition he was previously approved for. Original size approved was 8’x 12’ he is increasing it to 8’ x 18’. This will be made as an amendment to his original development permit no. 690 issued June 2024. He has also applied for an amendment to their provincial building permit.

Development requiring Council approval:

- T. Request from Kurt & Stacy Chaisson and Craig Jackson to rezone PID located at the corner of MacPhee Ave and Green St. Their request is to rezone this property from PSI to R3 for the development of multiple housing units.** Planning Advisory Board met to review and recommend that the first step for rezoning take place. They feel the proposed use would help with housing needs for the Town. The first step would be to arrange for a Public Consultation meeting. Town Council motioned to move forward with a public meeting as per our bylaw pertaining to amending property zoning.
- **A Public meeting has been advertised for April 23, 2025, at 6:00pm.** To be posted in Graphic April 16, 2025. Also, as per section 18 of our Land Use Bylaw, properties owners within the 500’ radius have been notified by mail.

Town of Souris Bylaws required to be added and/or updated:

As per the Municipal Government Act (MGA) it is recommended that PEI Municipalities review and update certain bylaws and policies. . .

U. Remuneration and Allowances Bylaw 2025-01
