SAFE HOME INSTRUCTIONS

Make sure you have a working smoke alarm and carbon monoxide detector installed on each level of your home. It is recommended that you also install a smoke detector in every bedroom. You should also have a well-stocked first aid kit to treat minor injuries. If you live in an apartment, know where the fire alarms and at least two emergency exits are located. Remember the reception centre (a place, often used during emergencies where people can gather, receive services, and potentially find temporary accommodation or assistance.)

BURNING PERMITS

www.sourispei.com

If you require a burning permit, you must apply with the Province, the Town of Souris does not issue burning permits for any area of the municipality.

The municipal bylaws for burning are located on the Town of Souris website.

In the Town of Souris, Prince Edward Island, burning regulations are outlined in **By-law No. 85-4: Garbage Burning**. This by-law prohibits individuals from burning or incinerating grass or garbage on any property—commercial, residential, or recreational—without prior written consent from the Town Council and approval from the Fire Chief.

The Fire Chief determines the appropriate type of incinerator to be used for such activities.

Violations of this by-law result in fines: \$50 for the first offence and \$100 for each subsequent offence.

****Additionally, during the wildfire season (March 15 to November 15),** provincial regulations require checking daily burning restrictions before any outdoor burning. You can check current restrictions or call 1-800-237-5053.

<https://www.princeedwardisland.ca/en/feature/burning-restrictions#/service/FireRestrictions/FireRestrictions>

For more information or to obtain necessary approvals, contact the Town of Souris at 902-687-2157.

Burning permits are not required for Category 1 fires.

Category 1 fire specifications:

Piles no larger than three metres in diameter,

Piles no more than two metres high,

Multiple piles must be at least 10 metres apart from each other,

No more than two piles burning at one time,

Burning of tree limbs, leaves, brush or cut grass is permitted,

Includes campfires* except in licensed private, municipal, and provincial campgrounds, and **Fire must be attended at all times.**

*Campfires are any open fires** that burn no larger than 0.5 metres in diameter and are intended for recreation (and not for survival).

**Open fires are any fires not in an enclosed CSA approved appliance (e.g. propane or charcoal fueled appliances such as BBQs, propane or natural gas fire bowls, and Coleman-style camp stoves).

Chimneys are considered open fires.

Before burning you must check the Burn Restriction Map

A Note From the **RCMP:** **Say NO to Bullying and Cyberbullying**

Bullying happens when someone purposely and repeatedly says or does hurtful things to someone else. Some bullying acts are illegal, and they can have long-lasting effects on victims psychologically and sometimes physically.

Bullying behaviour in childhood can be a precursor to criminal behaviour.

Helping someone: If you fear for your safety, or the safety of someone you know, call 9-1-1 or the local police department. If you think or know someone is being bullied: If it is safe to do so, try not to be a bystander and stand up for them.

Talk to them to let them know they can trust you and that they shouldn't deal with bullying alone.

Help them document the bullying. Report the bullying or help the victim do so.

How to report - You may report: * Criminal offences to your local police detachment * Cyberbullying to social media sites or apps * Online offences to Cybertip.ca * School bullying to school administrators

* Unwanted text messages to telephone service providers

THE TOWN OF SOURIS DOG LICENSING PROGRAM

runs from June 1 to May 31.

Residents are required to annually register their dogs through this program in person at the Souris Town Hall.

We will need your name, address, phone number, email, the name of your dog(s), the color of the dog(s), the breed, male or female and whether they are spayed or neutered.

Dog tags are \$5 for spayed/neutered dogs and \$10 for non-spayed or non-neutered dogs

The Town of Souris enforces its animal control regulations through the Companion Animal Control By-law 2004-05. This by-law mandates that all dogs residing within the town must be registered and wear a valid dog tag.

These tags are renewable annually and are essential for ensuring that lost pets can be promptly identified and returned to their owners
