Mayor of
Town of Souris

Joanne Dunphy is the Mayor of the Town of Souris and she is honored to serve the Town of Souris. She has lived in this wonderful community for many years and has always been inspired by the resilience, kindness, and spirit of the people who call Souris home. Souris is a vibrant seaside town with a rich history, known for its welcoming nature, stunning coastline, and strong sense of community. The Town of Souris is proud to be the gateway to Îles-de-la-Madeleine, a hub for local businesses, and a place where neighbors still look out for one another. Our town is built on traditions of fishing, farming, and hospitality, but also continues to grow with new opportunities and events that bring people together year after year.

As Mayor, her goal is to listen, support, and work alongside council and residents to make sure Souris continues to thrive. Together, they will focus on community growth, supporting local businesses, improving services, and ensuring that Souris remains a safe, beautiful, and welcoming place to live, work, and visit. I look forward to continuing this journey with you and to celebrating all that makes our town so special.

THE TOWN OF SOURIS DOG LICENSING PROGRAM

runs from June 1 to May 31.

Residents are required to annually register their dogs through this program in person at the Souris Town Hall.

We will need your name, address, phone number, email, the name of your dog(s), the color of the dog(s), the breed, male or female and whether they are spayed or neutered.

Dog tags are \$5 for spayed/neutered dogs and \$10 for non-spayed or non-neutered dogs

The Town of Souris enforces its animal control regulations through the Companion Animal Control By-law 2004-05. This by-law mandates that all dogs residing within the town must be registered and wear a valid dog tag. These tags are renewable annually and are essential for ensuring that lost pets can be promptly identified and returned to their owners
