Mayor of
Town of Souris

JoAnne Dunphy is the Mayor of the Town of Souris and she is honored to serve the Town of Souris. She has lived in this wonderful community for many years and has always been inspired by the resilience, kindness, and spirit of the people who call Souris home. Souris is a vibrant seaside town with a rich history, known for its welcoming nature, stunning coastline, and strong sense of community. The Town of Souris is proud to be the gateway to Îles-de-la-Madeleine, a hub for local businesses, and a place where neighbors still look out for one another. Our town is built on traditions of fishing, farming, and hospitality, but also continues to grow with new opportunities and events that bring people together year after year.

As Mayor, her goal is to listen, support, and work alongside council and residents to make sure Souris continues to thrive. Together, they will focus on community growth, supporting local businesses, improving services, and ensuring that Souris remains a safe, beautiful, and welcoming place to live, work, and visit. I look forward to continuing this journey with you and to celebrating all that makes our town so special.

Robin was elected as the MLA for District 1, Souris-Elmira, on April 3rd, 2023. On February 27, 2025, he was sworn in as Minister of Education and Early Years.

Bakery

Our kitchen is always busy with both clients and staff creating many different types of goods for our customers. It is one of our busiest programs here at the Harbourview Training Center. Below is a list of baked goods, food and services that we offer through our kitchen.

HTC offers catering (pick up or drop off) to individuals, businesses, groups and events.

Cakes for all occasions decorated specifically for each customer.

We do cinnamon rolls, date squares, cookies and sweet trays. Dinner rolls and biscuits.

Pickles, jams and jellies. Loaves of bread including raisin. Our famous carrot cake.

We appreciate every order placed with our bakery as it assists with this program and others within our center. If you have an event, a business or gathering, we welcome you to contact the Harbourview Training Center kitchen to discuss your food needs.

Woodworking

Harbourview Training Center's woodworking shop is one of our busiest programs. Our clients have the opportunity to learn woodworking skills with the support of Harbourview staff. Clients get to build and create wood products that we sell in our showcase gift shop such as seasonal wood decorative items and hanging directional signs that they can personalize specifically just for you.

Our woodworking shop also accepts custom requests to build benches, picnic tables, frames, shelving and more. One of the busiest sections is our refinishing/refurbishing area. Customers bring in items such as desks, chairs, tables for our clients to refinish so if you need a wood item spruced up or brought back to life, please contact us.

The municipal bylaws for burning are located on the Town of Souris website.

In the Town of Souris, Prince Edward Island, burning regulations are outlined in **By-law No. 85-4: Garbage Burning**. This by-law prohibits individuals from burning or incinerating grass or garbage on any property—commercial, residential, or recreational—without prior written consent from the Town Council and approval from the Fire Chief.

The Fire Chief determines the appropriate type of incinerator to be used for such activities.

Violations of this by-law result in fines: \$50 for the first offence and \$100 for each subsequent offence.

****Additionally, during the wildfire season (March 15 to November 15),** provincial regulations require checking daily burning restrictions before any outdoor burning. You can check current restrictions or call 1-800-237-5053.

<https://www.princeedwardisland.ca/en/feature/burning-restrictions#/service/FireRestrictions>

For more information or to obtain necessary approvals, contact the Town of Souris at 902-687-2157.

A Note From the RCMP:

- RCMP safety tips for December include preparing for winter driving, making homes secure, and being cautious with holiday shopping. Key advice involves checking road conditions, packing a winter car kit, clearing all snow and ice from vehicles, and not drinking and driving. For home security, use timers, mark valuable items, and secure gifts out of sight. When shopping, avoid carrying large amounts of cash and be alert for scams

SOURIS FIRE DEPARTMENT

- **Inspect lights:** Before decorating, check every string of lights, new and old. Throw away any with frayed or pinched wires, or loose bulb connections.
- **Use proper lights:** Ensure you are using indoor lights indoors and outdoor lights outdoors. Check the label for safety certification, such as CSA or UL.
- **Prevent electrical overload:** Don't connect too many strands of lights together. Plug them directly into a wall outlet whenever possible, and avoid overloading electrical outlets.
- **Turn off lights:** Turn off all decorative lights on trees and around the house before you go to bed or leave the house.
- **Keep trees watered:** If you have a live Christmas tree, keep it well-watered to prevent it from drying out and becoming a fire hazard.
- **Keep away from heat:** Place trees and other flammable decorations at least three feet away from heat sources like fireplaces, radiators, and space heaters.

THE TOWN OF SOURIS DOG LICENSING PROGRAM

runs from June 1 to May 31.

Residents are required to annually register their dogs through this program in person at the Souris Town Hall.

We will need your name, address, phone number, email, the name of your dog(s), the color of the dog(s), the breed, male or female and whether they are spayed or neutered.

Dog tags are \$5 for spayed/neutered dogs and \$10 for non-spayed or non-neutered dogs

The Town of Souris enforces its animal control regulations through the Companion Animal Control By-law 2004-05. This by-law mandates that all dogs residing within the town must be registered and wear a valid dog tag. These tags are renewable annually and are essential for ensuring that lost pets can be promptly identified and returned to their owners
